weapons, namely firearms, is of great concern. Josh's particularly heinous violent past, along with his current virulent racism is of equal concern. Their association with the notoriously bigoted and dangerously unpredictable Proud Boys along with their willingness to protest LGBT events, sporting events, and events loosely associated with the political left makes them people to keep a very close watch on.

Tanner Jarl Peterson claimed to have been involved with “patriot groups” prior to June 2019 but we first take notice of him on June 7, 2019. Tanner was seen at a small “patriot” march in Westlake Park, Seattle. During this event, Tanner was seen wearing a tactical vest while associating with a group of Proud Boys and “patriots.”

Seattle. “We’re taking over your fucking city,” Zac boasts while Tanner delivers the Proud Boy taunt “proud of your boy.” As Bryan Joshua Hanks filmed from another angle, Tanner demonstrated his sincerity by comically chugging his beer, which contained a torn up antifa sticker.

On June 10, 2019, Tanner and Proud Boy Zachary Thomas Staggs made a homophobic, transphobic, and racist video attempting to satirize antifascists and trans people and [uploaded it to Youtube](#). Their faces are hidden but Tanner’s distinctive arm tattoos give him away.

In July, Tanner ramped up his intimidation and aggression. On July 14th, [patriots and Proud Boys marched through downtown Seattle](#). At the 1:20:20 mark of [this livestream](#), Tanner can be seen carrying a handgun and wearing body armor.

PUGET SOUND ANARCHISTS

On July 20th, 2019, assorted right-wingers, Seattle Proud Boys, and [3% of Washington](#) held a [rally in support of ICE and against anarchist Willem Van Spronsen](#) who had just lost his life at the hands of the police at the Northwest Detention Center in Tacoma. In photos, Tanner can be seen with his face covered and carrying a handgun. Tanner and his fellow Proud Boys taunted immigrants rights activists and gave derogatory speeches about Van Spronsen, calling him an “antifa terrorist.”

PUGET SOUND ANARCHISTS

Tanner has progressively become more violent at events and online. The Seattle Proud Boys attended “[The Battle of Portland Part Two](#)” event in Portland, Oregon where Andy Ngo was allegedly milkshaked and removed from the event by activists. After this event, the Seattle Proud Boys have made an overt attempt to escalate violence and attacks on antifascists. Tanner was perhaps the most affected locally. He subsequently made death threats to several local journalists resulting in him being banned from Twitter in July 2019.

As will be demonstrated by the August 11th event, Tanner is poorly trained in determining what constitutes a threat.

audio captured of the incident, Tanner can be heard admitting he assaulted the protester for touching his hat. He escalated from aggressive posturing to grabbing for his weapon because he claimed he felt threatened. Even after he was no longer near any protesters and hiding behind his associates, Tanner kept his hand on his weapon and ignored warning from activists and other Proud Boys to de-escalate. Video of this incident is [here](#).

On August 4th, 2019, Josh, Zachary Thomas Staggs, and various ambiguous patriots menaced soccer fans during the “[March to the Match](#)” and at a local soccer bar. Most recently, on August 17th, 2019, at the [[“End Antifa” Proud Boys event](#)] in Portland, Oregon, [video shows “Josh” waiting with neo-nazi American Guard members](#) to greet the Proud Boys who had just marched across the Hawthorne Bridge. Josh is also seen greeting Proud Boys national leader Enrique Tarrio and shaking the hand of Proud Boy leader and event organizer Joe Biggs. These are nationally renowned names attached to violent rhetoric and incidents. The associations should not be taken lightly.

Local antifascists have opposed and monitored Josh since June, but the incidents of August 4th combined with the murderous rage we saw in Josh's eyes motivated us to do a bit more research.

Public records show that Tanner and Josh had recently become roommates in Lakewood, WA. We also discovered that Josh is currently involved in a custody battle with the mother of one of his children. Within these records, we discovered what has happened when Josh's barely hidden rage is exposed.

PUGET SOUND ANARCHISTS

was court-martialed, received a dishonorable discharge from the Army, and served 22 months in prison.

BACKGROUND

One evening while his wife was away at work, appellant was at his home at Fort Hood, Texas, watching his 22-month old son, JH. Around 2130, appellant was boiling water on his stove in preparation to strip the kitchen floor. After the water reached a boil, appellant placed the pot of water on the floor. Around the same time, JH became restless and began to cry. Appellant tried unsuccessfully to soothe JH. When appellant's attempts to stop JH from crying failed, appellant became "very angry and lost [his] patience." Appellant then picked JH up, brought him into the kitchen, and holding him by his arms, forced JH's hands into the scalding water. As a result, JH suffered second degree burns on his hands and wrists. The burns ultimately resulted in significant scarring and fixed deformity.

Within the current custody court records, Josh admits to the past child abuse but claims that he has "sustained very substantial rehabilitation." The mother however alleges ongoing abuse and that Josh has continuously minimized his abusive past.

The mother will try to defame my character by calling as much attention as she can to the fact that I have a prior conviction that occurred approximately 7 years ago. This was unfortunately for a 2011 child abuse case, which I did serve 22 months in Department of Corrections. I have taken all of appropriate counseling and courses and have sustained very substantial rehabilitation and have learned my lesson from the matter. What occurred was my son was burned with water, and this is something that I have deep remorse and feelings of regret about. However, the mother of my son has

There is a history by Bryan Hanks of domestic violence and a felony history of maiming a child/aggravated assault against a child with a dishonorable discharge from the Army. Bryan Hanks has been unsafe with our daughter including leaving her home alone when under his supervision. I am seeing a domestic violence case worker due to his behavior throughout our relationship.

Conclusion

What should be obvious to all is that both Tanner Jarl Peterson and Bryan Joshua Hanks are a danger to the community. Tanner's gradual shift from pathetic patriot larper to

with it. Bryan Joshua Hanks, on the other hand, obviously seethes with rage – as anyone who has seen him at a rally can attest. He’s argued to the court that, despite allegations of domestic violence, he is a reformed man. However, we have seen him assault sports fans, physically threaten members of the community, and openly associate with neo-Nazi groups. Does this sound like the kind of reformed citizen you’d want as a neighbor?
